Important Notes:

Assembly Option	For a fee of \$150.00 Copernicus will pre-assemble your iRover, Interactive Teaching Center, or 3-in-1 Interactive Easel for you and ship it to you on a skid (<i>increased freight charges will apply</i>). To order this feature add 'ASMB' to the end of the SKU you are ordering. Some SKUs can not be shipped assembled. It is highly recommend that you quote your freight ahead of time when ordering an assembled product as rates may vary.	Example: Assembled IWB102-ST1 =
Compatibility Chart	If you are unsure of compatibility with a specific board or projector be sure to consult our online compatibility chart. For iRover2 products, please visit: www.copernicused.com/irover2
